Personal background *(présentez-vous)* :

I am retired from a career in Student Services at a Community College. I have a long history of volunteer work in various capacities, including serving on a number of boards, working as a settlement partner with immigrants and managing an organization that promotes awareness of social justice and international development activities. I have travelled extensively by motorcycle, bicycle, and "planes, trains, and automobiles". I love to travel in non-traditional ways, getting to know the people in the communities I visit. In this way, I've been able to visit small villages in Africa, slums in Bangladesh, and the barrios of Bolivia. As a host, I have enjoyed many an evening of food, wine and good conversation with travellers of all ages, and have been especially interested in how the generation gap disappears when we share common interests and world views.

I understand the aims & rules of Servas and will abide by them. *(Je certifie sur l'honneur avoir pris connaissance des statuts et du règlement intérieur de Servas et je m'engage à les respecter.)*
