

Regional Co-ordinators Instructions for Renewing Members

Each year we need to update members on the Servas Online system. Here's your part in the process.

By January 15 you will receive the list of members in your region/subregion. Phone each member with a past due membership date:

1. Ask them if they want to continue to be a Servas member.
 - a. Remind them of the annual membership fees

2. Ask them to send the fee to our treasurer, Christine Fernie. The options and instructions for how to pay are also on the Fees and Payment Options page on our website. <https://www.canadaservas.org/en/join-servas-canada/fee-structure/>
3. Ask them to update their profile, especially their contact information. See the Servas International page on our website for assistance.

Christine will renew members as she receives payment. If a member indicates they want to be taken off the list, let the Members Manager know and they will remove them.

The Members Manager is: Earl Snider <earlosnider@gmail.com>
